## Announcement re: Listing

The Traffic Group wishes to advise that under the terms of the prospectus the minimum capital raising requirement of \$2.5m has not been met and as such the float of the company will not proceed.

All monies received from applications of the Prospectus will be returned immediately.

The Directors of TTG wish to thank all of the investors who have participated in support, including all of the Western Kingfish shareholders.

We will make further announcements, as more information is available.

Yours Sincerely

Con Scrinis

Managing Director
